Dear Friends,

Although this is a hard decision to make as a small, independent, family owned business, especially considering our dedicated employees, we have decided it is best for the safety of our community to close temporarily. We feel because we are a hands-on public place (in spite of all the disinfecting that we have been doing) that it is the right thing to do to help stop the spread of the Coronavirus/COVID-19. We always want to be part of the solution. We are so grateful for our supportive community. We will keep you posted on changes as they unfold, through our Instagram, @studiohop.ri, and on our website, studiohopri.com. Please call us should you have any questions or concerns at 401-621-2262. In the meantime, we wish you and your families the best of health.

With much love to our wonderful community,
Our warmest wishes,

Nina, Peter and Eli
